**MOTION TO EXPEDITE MOTION FOR STAY OF DISTRICT COURT PROCEEDINGS**

Comes now *pro se* Appellant David Stebbins, who respectfully submits the following motion to expedite my motion for a stay of proceedings.

Let us put aside, for a minute, the lack of jurisdiction if the District Court's decision should be reversed. If the stay is not granted, the litigation's discovery is supposed to end on May 31, 2011. If the stay is not granted, I must wrap up my discovery, and I am behind schedule, on that.

Please, hurry up and rule on my motion for a stay of district court proceedings, to avoid my discovery rights being prejudiced.

It is so requested on this sixth day of May, 2011.
